Again this year we are asking our supplier members to sponsor events to help reduce the costs of our conference. Your participation and assistance is greatly appreciated by NIFAD members.

Enclosed for your review is a summary of the different events scheduled for our meeting and the contribution sought for each to defray our costs.

We are limiting the number of presentations this year to allow time for more seminars and exchange of information among distributors. Only supplier member sponsors will have the opportunity to make a presentation.

Your financial support is an important factor in the success of our conferences. Please indicate on the form how you are willing to assist and mail or fax it back to NIFAD as soon as possible. We will do our utmost to accommodate your choice.

Thank you for your generosity and support of NIFAD!
